

Description

The Namibian Global Managed Fund is a fully discretionary portfolio. The fund has a balanced mandate and investments are diversified across all asset classes, including foreign assets.

Fund Objective

The fund aims to achieve consistent capital growth over the medium to long term, with low downside risk and low volatility.

Investment Strategy

The fund is actively managed according to the Metropolitan Asset Managers houseview. The investment strategy emphasises bottom-up research but using top-down, macro factors to reinforce decisions. The style results in lower portfolio turnover and is best suited to long-term investors.

Risk Profile

Moderate
