#### **Benefits of the Fund**

The Fund is a defined contribution fund. It offers no investment guarantees and the value of every member's investment will be determined by reference to net contributions received for the member and net investment returns generated by the selected investment administrator, in terms of the agreement entered into between the investment administrator and the Fund.

Any balance remaining in the pensioner's account upon the death of the pensioner can be transferred to a designated survivor, who will become a member of the Fund, or can be paid as a lump sum in terms of Section 37C of the Pension Funds Act, taking into account any guidelines provided by the pensioner.

The Fund offers contributory membership to employees within an employer group, to contributory individuals as well as dormant membership to former employees who wish to preserve their retirement capital tax efficiently.

Death and disability benefits arranged by the participating employer for its members in addition to the member's share in the Fund, are fully reinsured and range from lump sum benefits to annuities for members and dependants of former members.
